An Invitation to Sponsor

INDC is an international forum for scientific discussion focused on understanding of the relationship and connections between nutrition and clinical diagnostics.

The mission of the INDC is to increase our understanding of the effects of nutrition on human health, physical and mental fitness.

To achieve this goal, we need to gain a better insight into the theme of bioactive compounds in food, their absorption and metabolism, with emphasis on the genetic and metabolic uniqueness of individuals.

INDC 2019 is a four-day conference. It is composed of blocks of lectures. The conference incorporates an industrial exhibition and poster sessions.

Who will attend INDC 2019?

INDC 2019 will bring together specialists of science as diverse as nutrition, clinical biochemistry, food technology, analytical chemistry. Participants and speakers from over 30 countries gather each year to share their results and know about the latest advances in nutrition research.

If your organization supplies laboratory consumables, chromatography equipment, is involved in nutrition research, or performs within the health field, this conference will be of special interest of you.

Conference Topics:

PROBIOTICS, PREBIOTICS, NUTRACEUTICALS AND BOTANICALS FOR HUMAN HEALTH

Probiotics and Prebiotics, Microbiota, Polyphenols, Bioactive Compounds, Prediction of Bioavailability, Chronic Diseases, Celiac Disease, Gluten- Free Diet, Nutrition and Cancer

ANALYTICAL METHODS IN NUTRITION AND DIAGNOSTICS

Analytical Methods for Human Health Protection, Separation Science in Clinical Diagnosis and Nutrition, LC/MS, Mass Spectrometry as a Tool in Metabolism Studies, Applications of Electrochemistry Coupled to MS, Biomarkers in Aging and Disease, Nanomaterials, Sensors, Newborn Screening, Automatization in Sample Preparation, Forensic Doping and Toxicology, Therapeutic Drug Monitoring and Environmental Analysis

About Prague

Prague is not merely a historical gem. It is also a pulsating European city, whose endlessly long list of superb theatres, museums, galleries and clubs helps to make up the unique character of this city of a hundred spires. In combination with the world famous Czech beer and gastronomic delicacies, it is no wonder that it is one of the most visited cities in the world.

Venue: Hotel DAP

INDC 2019 will be held at Hotel DAP, Vítězné náměstí 4/684, 160 00 Prague 6, Czech Republic.

Hotel DAP – “Dům armády Praha” (House of the Army, Prague) is situated just a few minutes from the Prague Castle, the dominant symbol of Prague, from where you can visit all the interesting places and sights of historical Prague - the Charles Bridge, Old Town Square, Lesser Town and others. Hotel DAP is located in the centre of one of the most important Prague's districts of Dejvice, on the Vítězné Square No. 4, near the underground station route A and the direct bus line to the Václav Havel Airport Prague.

Sponsorship Programme

The Organizers offer companies the opportunity to become sponsors of the “19th International Nutrition & Diagnostics Conference” enabling them to promote their products and obtain a wider recognition.

On the following pages you can find different possibilities of sponsorship from which you can choose the most suitable way of promotion for your company.

Sponsorship options

Printed Materials / Publications

Companies may advertise in the official printed conference documents (finished artwork is to be supplied by the sponsor). Your advertisement will relate to your company corporate product.

The Final Conference Programme and Abstract Book will be provided on site at the conference to all registered delegates including speakers, official guests and exhibitors.

Promotional Materials

This option involves distribution of company's promotional flyers or other materials through media table. Please note that the material should be provided by Sponsor and must be approved of by the Conference Organizing office.

Inserts in Conference Bags

The opportunity is offered to sponsors to provide either:

- An insert: a double-sided A4 size, colour or black and white printed flyer/promotional piece. This flyer could be a text only, promoting activities on your exhibition stand or it may be an existing corporate flyer of information on your services or products.
- Writing pads and/or pens with the logo of your company along with the conference logo. Delegates particularly appreciate to get writing pads and pens as being very useful for the scientific sessions. Pens and pads have to be provided by the sponsor.

Commercial Lecture

We offer the possibility of commercial lectures (max. 20 min) to potential sponsors. You can utilize the congress hall, audiovisual equipment and/or your presentation in web page of the conference or printed conference documents.

Integrated Symposia

Organized by a sponsoring company.

The program of an Integrated Symposium (max 40 min) must comply with the Conference guidelines and be submitted to the Local Organising Committee for approval. The topics should be e.g. cover any of the conference topics. The Local Organising committee reserves the right to adjust the programme (topics and /or chairpersons/speakers), if necessary.

The exact date and time of Integrated Symposia is to be discussed between the Local Organising Committee and organising sponsor company.

Posters announcing an Integrated Symposium are only allowed within the exhibition booth and in front of the conference rooms (the latter on the day of the Integrated Symposium only). The distribution of leaflets in the conference hall is not permitted.

Benefits

40 minutes room rental for the duration of the symposium

- Standard technical equipment
- The programme of an Integrated Symposium will be published in the Final Programme
- After signing of the contract, the title of an Integrated Symposium will be published in the Preliminary Programme, if information has been provided in time
- Expenses for travel and accommodation for speakers not included.
